Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir/Madam:

Applicants request the information on Supplemental Information Disclosure Statement (PTO/SB/08A) filed on February 16, 2006 be corrected. Given the timelines of this request before the issuance of the final Office Action, Applicants believe the United States Patent Office can effect such a correction prior to the issuance of any patent on the application.

The PTO/SB/08A which was filed on February 16, 2006, a marked up copy of which is attached hereto, inadvertently indicated the incorrect publication number of Foreign Patent Document No. BC. The publication date of Cite No. BC was indicated as 6-082020. The correct publication number is 61-082020. A clean copy of the PTO/SB/08A reflecting the correction is attached.

Applicants respectfully request that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect the correction.
